CHOOSE DARROL

HAND-CRAFTED MANNEQUINS

Darrol mannequins are modelled by our own sculptors, some based on living reference models. Eyes, make-up and hair-styling are hand-crafted by Darrol's own make-up artists and hairdressers.

QUALITY

Every single Darrol mannequin is 100% quality controlled before it leaves the factory. Despite their high quality, our mannequins weigh less than the market standard and, as such, are easy to handle and move during decoration work.

INNOVATION

Twice a year, we present a new collection of models and wigs, ensuring we remain relevant to current fashion. We can also "theme" our standard models to help you create your personal display dream.

VALUE

All our ranges are priced to be highly competitive and offer outstanding value. In addition, major orders carry significant discounts.

OPTIONS

What you don't see is probably still possible. We offer adaptation on a wide range of our products after your choice. For example, we offer to customize the make-ups shown on most of our mannequins, body colours can also widely be adapted. Just ask!

FAST DELIVERY

We hold major stocks of all Darrol products at our main warehouse in Denmark, and therefore offer short delivery times.

SERVICE

We set out to offer the best standard of service available anywhere in our industry.

THAT'S WHY!
